W. J. The accommodation of this first-class Hotel has recently been considerably increased, and the house still continues to serve out the best of Wines, Beers and Spirits; has excellent clean bedrooms, substantially covered tables, and good and extensive stabling.

There are first-class Billiard and Bagatelle Tables in connection with the house; also a large Concert Room for Balls, Public Meetings, &c., &c.

☞ All the Mail Coaches stop at this house, where passengers and parcels can be booked to all places in the colony.

W. J. ## WARRNAMBOOL STARCH AND FARINA MILLS.

**Aitkin & Paterson, Warrnambool, Proprietors.**

The following is Mr. Sydney Gibbons' Report on the Warrnambool Farina:—

"I have analysed, by desire of Messrs. Aitkin and Paterson, a sample of their manufacture, entitled 'Warrnambool Farina,' and I verified the sample by comparing it with some purchased in Melbourne by myself for that purpose.

"The Farina is very well manufactured, and free from any foreign matter. It is, in fact, a genuine Starch Flour, precisely similar to Arrowroot and Maizena, and is consequently adapted for all the purposes for which those substances are commonly used.

"It is a very wholesome and palatable preparation.

"Besides my chemical and microscopic examination, I subjected both samples to the domestic test, by having them separately dressed for table, and with satisfactory results.
